

UK PASSIVHAUS OPEN DAYS 2019

8 - 10 November

WHEN

FRI 8 + SAT 9 NOVEMBER

10am - 4pm

Booking essential.

Oak Tree Passivhaus is the first Certified Passivhaus in Tyneside and its construction makes it unique in the region. Built beside an oak tree on a large sloping rear garden plot it uses a breathable twin timber frame, site sourced stone and minimises the use of steel. The project provides a collaborative and holistic approach to the design and construction of a Passivhaus.
