

2017 UK Passivhaus Awards

Sponsorship opportunities

The 2017 UK Passivhaus Awards will focus on inspiring UK Passivhaus exemplars that are at the forefront of innovation.

Objectives

1. To celebrate that all Passivhaus buildings can be comfortable, healthy and beautifully designed.
2. To demonstrate that the Passivhaus standard can be applied successfully to any building type, new-build or retrofit projects
3. To raise the profile and encourage uptake of the Passivhaus standard from large scale through to custom-build.

Categories

- **Small Projects:** Schemes must have a treated floor area no greater than 500m²
- **Large Projects:** Schemes must have a treated floor area greater than 500m²

Note: The Large Projects category may be split into two categories subject to project submissions

Sponsorship

We are offering the following sponsorship opportunities:

- Overall sponsorship **£3,500 plus VAT**
- Category sponsorship **£2,000 plus VAT**

All sponsors will be listed on the Passivhaus Trust website and mentioned on any press releases regarding the Awards as well as in our newsletters for the duration of the Awards' timeline.

The sponsors' logos will be featured on all the exhibitions pop-up banners, which will be presented at the Awards Ceremony on the 4th July 2017 in London. The pop-up banners will also be exhibited at the 2017 UK Passivhaus Conference on the 24th October.

The main sponsor may display a banner and/or feature display and hand out a leaflet during the Awards event. Category sponsors may display a banner and hand out a leaflet during the Awards ceremony.

A sponsor will not be excluded from submitting a project as part of the design team and will be able to vote for the category shortlisted project providing the sponsor is a member of the Passivhaus Trust.

Judging

All award entries will be judged by an invited panel (judges' TBC) who will select the shortlist. Judges may group projects with similar characteristics/ specialisms eg retrofits etc. The decision of the judging panel is final.

Award winners will be decided by a majority vote via a combination of:

- Online PHT member votes
- Votes from the PHT members and attendees of the awards ceremony.
