

UK PASSIVHAUS OPEN DAYS 2014

7 - 9 November

Currently under construction, Outwell is a scheme of 15 affordable homes, comprising 11 houses and 4 flats, all built to Passivhaus standard and Code for Sustainable Homes Level 4. These are of pre-fab timber frame construction. This is a live construction site and will be muddy, with uneven ground.

WHEN

FRI 7 2pm - 4pm
SAT 8 N/A
SUN 9 N/A

Please wear appropriate footwear. PPE will be provided. Please wait at site entrance to be met by a Hastoe representative and observe all health and safety requirements
