

UK PASSIVHAUS OPEN DAYS 2014

7 - 9 November

Retrofit of a 1960 home aiming for EnerPHit standard in a conservation area of Pavenham. The existing footprint of the building is being maintained while it is being wrapped in insulation and all external doors and windows are upgraded. There are minor changes to dormers to produce a more sympathetic and insulated design.

WHEN

FRI 7 N/A
SAT 8 9am - 2pm
SUN 9 N/A

Please bring own safety boots, high viz jacket and hard hat
