

# UK PASSIVHAUS OPEN DAYS 2014

7 - 9 November

Steel farm is a Passivhaus home located near Hexham in the North Pennine Area of Outstanding Natural Beauty. Based upon mains gas and four person occupancy, the expected fuel bill is about £260 per year; a financial saving of £990 and a 90% reduction in carbon emissions to boot. Local materials used where possible, sandstone sourced from local quarry within 30 miles.
