Chayley Collis  
chayley@greenbuildingstore.co.uk  
01484 461705

15 people per hourly time slot

Transformation of the dilapidated cow byre into an ultra efficient education centre. A super-insulated timber frame 'box within a box' structure was built inside the existing stone building, which serves to shore up and preserve the outer stone wall of the barn, whilst offering exceptional airtightness and continuity of insulation. Special talks and film screenings
