Patron Membership Application Form 2021

Membership Requirements

Members must refer to Passivhaus (or Passive House) Buildings and the components used in their construction exclusively as those buildings/components that fulfil the Passivhaus Standard criteria, as set out by the Passive House Institute, Darmstadt, Germany (see www.passivehouse.com). Turnover applies to all UK activities of the company registered. For multi-national companies, this will be clarified by using the denomination Name (UK).

Passivhaus Trust members will automatically be registered and their details shared with the [International Passive House Association](#) in accordance with iPHA's standard Terms & Conditions.

Passivhaus Trust members will appear on our website in our members' directory. Individual members may choose to opt out.

Membership applies to the company registered; this name will be used on all Passivhaus Trust materials. If Passivhaus activities are undertaken by a subsidiary company or division, these can be registered in their own name, but not in the name of the parent company.

I have read and accepted the Membership requirements set out above, the [Privacy Policy](#) and [Membership Terms and Conditions](#)

I would like to be included on the Passivhaus Trust mailing list to receive newsletters and event updates

I am authorised to sign on behalf of the company named above
