

PASSIVHAUS OPEN DAYS 2021

05 - 07 NOVEMBER

WHEN

Friday 05 November 08:00 - 15:30
Saturday 06 November 09:00 - 12:00
Sunday 07 November 14:00 - 16:00

Bookings available in 2 hourly slots.
Maximum 10 people per tour.

*Please do not attend if you feel unwell.
Maintain social distancing. Mask is optional*

A pair of timber framed detached 5-bedroom homes currently targeting PHI Low Energy Building Standard (PHI LEB). With orientation & building footprints already set due to planning being granted prior to appointing a Passivhaus designer, the homes fall just shy of all Passivhaus criteria. They will still undergo an independent certification process and quality assurance, significantly exceeding current UK building regulations.

WHERE

1 & 2 Green Meadow Lane,
Oakenshaw, BD12 7AW

By Car

Use Post code **BD12 7HS**. From Bradford Road, access Green Lane off Wyke Lane on the right where there is a Purehaus sign. Green Lane is an unadopted single track road which leads onto Green Meadow Lane. Green Meadow Lane runs alongside the Spenny Valley Greenway. The access off Cleckheaton Road onto Cross Road which also indicates it would lead to Green Lane is NOT suitable. Access road is not level. May not be suitable for low bodywork vehicles.

By Rail

Low Moor train station. 7 minutes walk heading up Cross Road to Green Lane.
