

# UK PASSIVHAUS OPEN DAYS 2018

8 - 10 June

## WHEN

FRI 8 JUNE

10:00 - 16:00

Max. 4 visitors at any time

Howe Park Passivhaus, designed for the Park Trust Milton Keynes, is one of only a few Passivhaus properties available for private rent, and as such the house is rarely open to the public. Achieving 0.07 air changes per hour means that it may be the most airtight building in the UK; the result a comfortable draft free home with a minimal environmental impact. Green Apple Award winner 2013.
