

UK PASSIVHAUS OPEN DAYS 2018

8 - 10 June

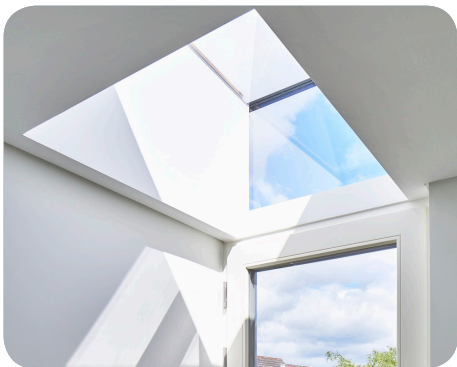

WHEN

FRI 8 JUNE + SAT 9 JUNE

10:00 - 16:00

Max. 10 visitors at any time

This compact 3 bed mews Passivhaus faced a challenging build, with a tight and enclosed construction site previously used for a garage accessible only via a narrow mews lane. Off-site construction using brick-slip clad SIPs made it possible to achieve an excellent level of insulation, compensating for limited solar gain on this shaded site.
