

2018 UK PASSIVHAUS OPEN DAYS

09 - 11 November

WHEN

SAT 10th 10am - 3pm

Booking essential

This 4 bedroom detached family house is located on a small suburban plot. Currently under construction and approaching airtightness test, the project offers a behind the scenes look at the nuts and bolts! The MVHR first fix has been completed. The construction is an offsite manufactured panelised timber frame with I section studs and mineral wool.

BOOKING
