

# 2018 UK PASSIVHAUS OPEN DAYS

09 - 11 November

## WHEN

SAT 10th 11am - 3pm

Full renovation of dilapidated existing 1960s detached house in Stockport, originally aiming for EnerPHit standard. The project sought a better understanding of how an ordinary suburban property could be improved to look good, be exceptionally comfortable, and at what cost. The works took around a year to complete.
