

# UK PASSIVHAUS OPEN DAYS 2018

9 - 11 November

## WHEN

FRI 9th 9am - 4.30pm

This is a working construction site.  
PPE required. Booking mandatory to be compliant with CDM regulations.

A 5 storey block containing 8 sea front apartments aiming for Passivhaus certification. This stretch of the Dorset and East Devon coastline was designated a UNESCO World Heritage Site in 2001. Currently under construction, utilising a mix of building techniques from externally insulated concrete frame, porotherm clay blocks & a timber frame.
