

UK PASSIVHAUS OPEN DAYS 2019

8 - 10 November

WHEN

FRI 8 NOVEMBER

10am - 3pm

Booking essential.

This is a construction site. Visitors should bring PPE if possible.

Bespoke new build detached house designed by BLUNN Architects, and then tweaked and detailed to the Passivhaus standard using the PH15 Construction System. Construction started April 2019, currently up to roof level. Being built by carpenter Nigel Bowley, assisted by the client as the labourer – an interesting example of the successful use of sweat equity on a Passivhaus build.

WHERE

North Lane, Clanfield, Waterlooville,
PO8 0QB

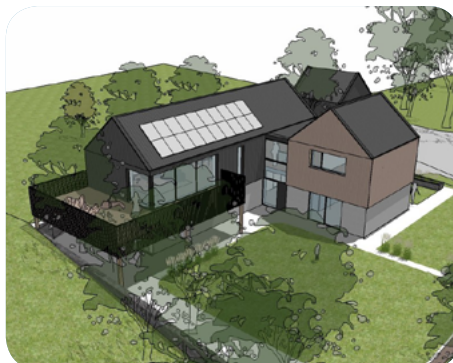

Nearest Station/ Stop:
Waterlooville, Petersfield or Havant
