

UK PASSIVHAUS OPEN DAYS 2019

8 - 10 November

WHEN

SUN 10 NOVEMBER

10.30am and 12.30pm

Booking essential.

A Bauhaus inspired house which has achieved Passivhaus accreditation despite various challenging design features, including far too much south facing glazing, cantilevered balconies and an integral garage, to create a wonderfully light filled, elegant, comfortable home, in an urban setting but surrounded by green, with PV generation, battery storage and a unique green drive.
