

Pollard Thomas Edwards architects bring you

PASSIVHAUS

The challenges of retrofitting to PassivHaus standard and the opportunities for new build

SPEAKERS:

Philip Proffitt

Philip is Director of Princedale Ecohaus Ltd who designed and constructed the first two registered Victorian Passivhaus retrofits in the UK.

Marion Baeli

Marion is the architect who was involved in the UK's first PassivHaus retrofit. She has just been shortlisted for the recent BRE PassivHaus competition.

Jean Pierre Wack

Jean-Pierre is Managing Director at environmental consultancy Eight Associates and has worked with Marion and Philip on Passivhaus projects.
