

UK PASSIVHAUS OPEN DAYS 2017

10 - 12 November

WHEN

FRI 10th 10am - 4pm

Maximum 10 people / tour group

The new business unit at Manor Farm comprises four offices, a board room, kitchenette and shower room providing space for the client's businesses as well as two offices to let. The building is awaiting Passivhaus certification. The construction method is a highly insulated timber frame on a standard foundation and slab arrangement. A sedum green roof helps the building to blend into its surrounding Devonshire countryside.
